

SESSION 2: IDENTITY IN CHRIST

- **View Video 2:** 10 minutes

- **Small Group Discussion:** 50 minutes

Each participant share your thoughts and experiences from your “listening prayer” time from the last week.

Discuss your personal identity...What defines who you are now?

You're built to experience a fuller life and in order to do that you need to accept that God HAS MORE for YOU.

- *Do you want to? Are you curious?*

Read 1 Peter 2:9

*Talk about what it really means to have an Identity in Christ...*When we accept Christ into our hearts, the person we were before dies, and we are reborn as a “new creation.” We lose our old identity and receive our new one. We no longer identify with the world and all its lies. We identify with Christ, and we become set apart. Our faith in Him distinguishes us from others (*or at least it should*).

Your identity is in Christ ... Even when you fall back into sin.

- *How does it affect your life if you're a follower of Jesus but don't believe the truths of your new identity?*

Pray together for God to help put skepticism aside and for Him to teach you to have a new perspective, by changing your heart. Pray that God helps you see and hear and feel Him with your heart in the midst of the busyness and clutter of your world.
